The Irondale baseball team, greatly strengthened by the Scout trainers, and a large delegation of fans came here Sunday afternoon for a return game, this being the third and deciding game of the three game series. They came with the intention of defeating Bismarck, and winning the series, but were badly disappointed. Instead of winning they were given a crashing and humiliating defeat by the score of 11 to 6. The game was featured by the hitting of both teams. The fielding of Kirkendall, of the home team, was one of the main features, he making a number of sensational catches. Also the left fielder of the visiting team made some sensational catches. The Irondale team scored one run in the first inning, and their rooters went wild, but a damper was soon put on their enthusiasm, as the home team came back in their part of the first and scored three runs, and from then on the game developed into a hitting match, the Bismarck boys bunching their hits for runs, while the Irondale boys were unable to convert their hits into runs. The Irondale team filled the bases in the ninth inning and scored two runs, which caused the Irondale rooters to get up in the air, but the Bismarck defense tightened and the side was retired before any more runners could score. The Irondale team fought bravely throughout the game, but were unable to cope with the home team, who were

determined to win. The umpiring was about as good as possible, each umpire drawing a few kicks from the players of both teams.
